CORPORATIONS LAW WORKBOOK SECOND EDITION BY LORRAINE GRIFFITHS, THE LAW BOOK COMPANY, SYDNEY, 1994

This is a second edition of the book first published in 1992. The new edition is by Lorraine Griffiths on her own. It has been revised in the light of the *Corporate Law Reform Act* 1992. This has particular impact on the chapters on directors and on corporate insolvency. Chapter 22 which was formerly "Schemes of Arrangement, Receivership and Liquidation" is now "Arrangements with Creditors, Receivership and Liquidation" and there has been added a new chapter on Partnership. I find the book useful. On a number of matters it does not go into enough detail but it highlights things in a very clear way and contains some useful information and documentation. It has proved useful in revising tutorial questions for use in the LLB.
